**Annapolis, MD [May 13, 2009]...** Conference & Logistics Consultants, Inc. (C&LC), named one of the Washington region's top event planners, has been contracted to manage the logistics of the USPRA annual meeting to be held in July at the Marriott Norfolk Waterside Hotel in Virginia. USPRA expects to draw more than 1,000 attendees to a four-day event that will include several group sessions with keynote speakers and a cruise on the Spirit of Norfolk. A representative from USPRA noted, "Conference & Logistics was able to secure additional discounts and amenities well beyond what we would have been able to negotiate, saving twice their fee through contract savings. Their partnership approach has, without a doubt, met our expectations!"
